COURTNEY PRIMARY SCHOOL

Working together to develop lifelong learners with a strong sense of self who are active participants in their communities

Welcome to Courtney Primary School

It is that time of year where parents and carers are starting to think about the beginning of their child's formal education.

Family feel...

At the heart of everything we do are our children. We believe what makes Courtney Primary School special, is the community feel. We see ourselves as not just a school but a family.

Holistic approach...

For us, the whole child is just as important as the academic success. We want our children to leave us after their 7 years in primary school, knowing their voice, knowing how to build relationships and knowing their voice matters.

Inclusive environment...

For us, every difference, experience and belief should be celebrated. We welcome a wealth of families and communities into our school and reflect the wonderful diversity of Bristol.
