Dear Parents and Carers,

As another successful school year comes to a close, we would like to thank Ms Scott and all of our teaching and support staff for their dedication and hard work throughout the year. We would also like to thank staff for providing such a wide range of extracurricular clubs and school trips for our children to enjoy this year. Thank you also to our parents and carers for your continued support, to FOCP for their record breaking fundraising efforts this year, and of course to the children for once again working hard, and showing positivity and resilience in all that they do at school.

Throughout the year, Governors have met with staff and pupils, observed learning, attended training and enjoyed many school events. The Governing Body comprises volunteers from staff, parents, and the local community. The core functions of the Governing Body are: ensuring clarity of vision and strategic direction; holding senior leaders to account for the educational performance of the school; and overseeing the financial performance of the school. We achieve this by meeting termly as a Full Governing Body and by assigning individual Link-Governor roles which require us to come into school to meet with teachers and children to discuss various subject areas. If being a Governor is of interest please contact the school office - you'd be joining a great team, and gain rewarding experience whilst also giving back to the Courtney community.

As we look ahead to the new academic year, we are excited about the opportunities it will bring. The introduction of some mixed aged classes from next year will allow for more targeted teaching based on children's needs, with the aim to improve both academic outcomes and pupil wellbeing. As you may already be aware, Courtney was oversubscribed for the 26/27 reception intake, so we will be welcoming a full class of 30 children in September. This is a wonderful reflection of the confidence that families have in our school, it highlights the strong reputation the school has built within the community and is testament to the hard work and commitment of everyone involved. As the younger children join the school, the older ones move on, so we want to say a fond farewell and best wishes to our Year 6 pupils - we are incredibly proud of their achievements and wish them every success as they move on to the next stage of their education.

As we start the 26/27 academic year, we are excited to continue building on the successes of the past year, and in the meantime we wish you all a fantastic summer!

**Best wishes,
The Courtney Governing Body**
